- A warm-up area, consisting of a regulation agility jump, will be provided.

In such a case, no refund of any fee paid will be made. Manitowoc County Kennel Club, and the trial secretary and their members, agents, etc. will assume no responsibility for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property, and further assumes no responsibility for injury to children.

These events are accepting entries for Mixed Breed dogs enrolled in the AKC Canine Partners Program. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate.

### Height Divisions

Owners are responsible for entering the proper height division. REGULAR CLASSES - Handlers may opt to run in a higher height division, but not in a division lower than their proper jump height. PREFERRED CLASSES - handlers must run their dog in their eligible proper height.

<u>Jump Height Regular Classes</u>	<u>Jump Height Preferred Classes</u>	<u>Height at Withers</u>
8 inches	4 inches	11' and under
12 inches	8 inches	14' and under
16 inches	12 inches	18' and under
20 inches	16 inches	22' and under
24 inches	20 inches	Over 22' –

*Dogs may NOT be entered in this height if they are 22 inches and under*

### 24 inch Choice

*Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24 Choice*

### Measuring & Height Card Information

When filling out the entry form, there is a section of the form for exhibitors to designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the *Dogs To Be Measured List*. It is no longer required that a copy of your dog's jump height card be submitted with an entry form or show it at check-in; although exhibitors are required to have the official form/card with them at the trial to present upon request. Additionally, if a measurement is necessary, it is the exhibitor's responsibility to have their dog measured prior to running. *Regulations for Agility Trials, Chapter 2, Section 4.*

### Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

### Fix and Go On (FNG)

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

### For Exhibition Only (FEO)

For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. Participation in FEO is non-qualifying.

FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed. Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.

The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).

### Obstacles & Course Familiarization

Obstacles shall meet the specifications for obstacles in the current edition of Regulations for Agility Trials. Contacts & table are rubberized and weaves are 24 inches on center. Obstacle familiarization for Novice dogs will not be offered at this trial. Handlers in all classes are permitted to walk the course, without a dog, prior to the start of the class. A walk through will be held prior to each class in conjunction with the judge's briefing.

### Site Information

Site is **OUTDOORS on grass**. There are two rings, which alternate; size of each ring is 80' x 120'. The rings will be enclosed with snow fencing, and the rings are in a chain-link fenced area. There is limited shade; please bring your own shade and tenting. The building (heated/air conditioned) will be available for indoor crating. DOGS MAY **NOT** BE LEFT OVERNIGHT. Crates may be left overnight, however, Manitowoc County Kennel Club, nor the trial secretary will not be responsible for any lost or damaged items left at the trial site.

**Food and beverages WILL be available for purchase on Saturday & Sunday**

### Prizes & Awards

Rosettes will be awarded to First through Fourth place in all classes. A qualifying ribbon will be awarded to all dogs with a qualifying score. New Title rosettes, Master Double Qualifier rosettes, Master Triple Qualifier rosettes, AGCH rosettes, MACH rosettes, PACH rosettes and PAX rosettes will also be awarded to teams achieving one of these titles. AGCH, MACH, PACH & PAX bars will also be awarded to teams achieving one of those titles. All prizes and awards must be claimed the day of the trial – none will be mailed.
