Annette McDonald and Gridley
T2BP3 MJP4 MJPS RI TKN FCAT4 MJP5 TKI
Rough Collie

Grid also earned his UKC Grand Agility Champion 2 (U-GRACH2) title on 4/27/24. He is my little superstar but if you asked him, he'd just say "...just another day at the office!"

Annette McDonald and Stori
FCAT2 RI TKN OFP TKI
Rough Collie

Even though Stori is 6.5 year old, she'll always portray her puppy-lovin'-life attitude. Her trademark move in the obedience ring – extending that right front leg with every halt and sit – has brought a smile from every judge!

Mary Larson and Riley
SIN
Border Terrier

What Riley lacks in obedience he makes up for in scentwork. His boundless energy is suited for his favorite dog sport. "Good find it, Riley."

Laurie Sales and Vera
CH
Weimaraner

Vera, or The Wiggle Worm, had her first show weekend on January 25, 2024. She took Winners Bitch for majors in all three shows and finished her Championship on her first weekend out. Her mother certainly did not see that one coming!! She is now working on her GR CH and also Nose Work and Scent Work.

Mary Pohl and Drake

Labrador Retriever

Drake is a very special & fierce competitor. His major accomplishment was achieving his CAX2 this year. He also was recognized in the Just Labs magazine for his love of FastCAT. Just loves to run!

Shetland Sheepdog

Indy earned an invite to the Rally National Championship. Indy has grown into a confident dog who has succeeded in dog sports. He will always be the best dog ever!

Myron Genrich and Oakley

TDX

Golden Retriever

You must trust your dog to point you in the direction of the track – it is a very different sport than traditional obedience or agility where the dog must trust you to guide him! On this day Oakley was true to this statement.

Sharon Reimann and Catcher

BCAT

Danish Swedish Farm Dog

Sharon Reimann and Dream

TD RN

Danish Swedish Farm Dog

The tracking title was hard won and tested both of us!

Kay Christel and Amber

BN

Cavalier King Charles Spaniel

Amber has proven to be an eager learner and wants to please. Her anxiety makes it a bit of a challenge but we are making big strides in that as well. We are now working on the Open exercises in obedience so...wish us luck!

Karen Smith and Abbey

PCDX CDX

Golden Retriever

Sara Hallam & Leo

RM3 RACH

Nova Scotia Duck Tolling Retriever

What an accomplishment for Leo to have his last title before retirement be his RACH. He always loved to work for food and his intelligence was beyond compare.

Sara Hallam & Monty

MXP

Nova Scotia Duck Tolling Retriever

Monty is starting to slow down in agility with his age but we're getting better at being a team and communicating. This little guy makes everything fun!

Sara Hallam & Theory

MXJ AXJ FTN

Nova Scotia Duck Tolling Retriever

Theory is definitely going to make you work just as hard as she is but we've taught each other a lot.

Karen Gengler and Gaanii

RATN FTN

English Shepherd

This year he also won High in Trial at UKC Rally.

Karen Gengler and Zaadi

BCAT

English Shepherd

Tarita Miller and Tinker

RAE OAJ RM2 OA RAE2 FTN RM3 TKA TKP

Miniature Pinscher

Rally helped build Tinker's confidence. Tinker did well in the Excellent class in 2024 at the Rally National Championships in Ohio. She's been invited back in 2025 to enter the Championship class.

Tarita Miller and Onyx

TKN TKI

Russian Toy

Onyx is very active and smart. He loves agility and doing tricks; his favorite is the pivot bowl. Onyx earned two titles at only 5 months old.

Shasta Brunette and Dior

TKN

Cane Corso

I imported Dior from Serbia. There was a definitely a language barrier because I was told she was “brutal”. She is the laziest, sweetest, easiest dog to live with.

Shasta Brunette and Akira

CH RN FTN FITB

Cane Corso

Akira not only earned her AKC CH but also her UKC CH. She was in 15th place in breed for owner handled series. She also earned her UR01 in UKC and ended the year pregnant with her first litter.

Shasta Brunette and Rizzo

DCAT ACT1 FTN FTI RATN FITB

Cane Corso

Rizzo is my most titled dog; my ride or die. Always up for the next challenge!

Shasta Brunette and Grimm

TKN CH BCAT FTN FITB

Cane Corso

Grimm earned her champion title shortly after turning a year old. She is confident but sensitive. My most independent Corso I’ve ever had.

Dana Richard and Amo

BCAT TKN FTN

Border Collie

Amo and I are both fairly new to competing but despite that, she doesn’t act as if it is new to her!

Janet Kornely and Antonio
RATN RATO
All American

Antonio and I are happy we joined the club. Retirement is very fulfilling when you have goals and are continuing to learn.

Denise Cronk and Noah
CH
Cavalier King Charles Spaniel

In July 2024, Noah came to live with me. I showed him in four shows. First time back in the show ring for me in four years due to my battle with cancer. He completed his AKC championship on September 21st 2024 with me on the end of the lead! He loves to travel and show with me. Noah's photo is from a Cavalier King Charles Spaniel calendar – he was Mr. September!
